2010 TEAM USA Pan American Qualifier:

In 2007 & 2008 we made it a practice of awarding the qualifiers of Team USA 3 crew tickets for Sunday's Race Day. Based on feedback from the racers most of the crew had already paid for a weekend pass for the event. We did not offer this award in 2009 & 2010.

We have decided to make more incentives for the racers participating in the event and for the spectators. One of the incentives affects the qualifiers from Team USA from the 2010 racing event. The following applies to you and more so please pass the word:

- Team USA qualifiers from the 2010 race will receive a free racer and 3 crew entries for the 2011 event. Bring the enclosed certificate and ID to the front gate in order to receive your tickets. This will be part of our racer awards for now and in the future when you qualify for Team USA.
- Team USA qualifiers for 2011 will receive a free racer entry and 3 crew entries for the 2012 event.
- Purses & entrance fees have not changed for Pan American 2011. We have added a Quick 32 class for the non-qualifiers for Team USA with a \$1000.00 to win for that class.
- Saturday Night will now include Music & Live Bands, a Bikini contest, Jet Cars & Benny the Bomb adding even more fun!
- The winner of the Team USA vs. Team Puerto Rico will not only win the \$10,000 purse and a team trophy but we have added an NHRA Wally trophy.

We would like to thank you for participating in the 2010 Pan American Nationals and we look forward to you being here in 2011.

Sincerely,

Joe Sway
